Subject FW: Tribal reps on Intergovernmental Tech. Team

Bobby,

I understand from Luki that Ekwok Village Council will nominate you to serve on the Interagency Technical Team for purposes of matters related to subsistence.

I am forwarding to you an email, from Mr. Parkin at EPA. It states the information you should provide in writing.

Best,

Jeff Parker

Jeff,

Have heard from 1. Would you please have Mr. Hobson submit a short biography describing his background, experience, education, employment and any other information that provides the basis for his knowledge of the fish resources in Bristol Bay and the ecological factors that support the fishery. Also he will need to confirm that he has been designated by the Tribal government for this effort.

If Jack would like to talk about the purpose of the intergovernmental technical meetings or my expectations about the role the meetings will play, please contact me at 206-553-8574.
